AGENCY SECRETARY

# Department of the *Youth Authority*

## MISSION AND VALUES

**THE MISSION OF THE YOUTH AUTHORITY** is to protect the public from criminal activity by providing education, training, and treatment services for youthful offenders committed by the courts; directing these offenders to participate in community and victim restoration; assisting local justice agencies with their efforts to control crime and delinquency; and encouraging the development of state and local programs to prevent crime and delinquency.

In order to enhance our ability to accomplish our mission, we have a shared set of values. **WE VALUE:**

**JERRY L. HARPER**  
Director

**RICHARD KAI**  
Chief Deputy Director

**ALLISON NICHOLSON**, Deputy Director  
Institutions and Camps Branch

**DAVE CROSSON**, Deputy Director  
Education Services Branch

**MICHAEL GALLEGOS**, Deputy Director  
Parole Services and Community Corrections  
Branch

Deputy Director (*Vacant*)  
Administrative Services Branch

Deputy Director (*Vacant*)  
Office of Prevention and Victims Services

LDA

- **The Worth of the Individual**  
We treat all people with dignity, respect, and consideration.
- **People's Ability to Grow and Change**  
We believe people have the ability to grow and change, and we provide the opportunity for them to do so.
- **Staff as our Greatest Resource**  
We encourage staff to develop personally and professionally and to participate in decision making.
- **Ethical and Moral Behavior**  
We demonstrate behavior which is fair, honest, and ethical both on and off the job.
- **Citizen Participation**  
We invite public involvement, support, and assistance to plan, deliver, and evaluate programs.
- **Excellence**  
Our performance demonstrates a commitment to and recognition of quality, dedication, and innovation.
- **A Safe and Healthy Environment**  
We believe that physical and mental health are important, and our commitment is to provide a safe and secure work and living environment.

## **INTRODUCTION**

The following narrative and accompanying tables provide information on the characteristics of the Youth Authority's institution, camp and parole populations as of June 30 of each year, 1993 through 2002. The statistics reflect both CYA cases directly committed to the Youth Authority and Department of Corrections (CDC) cases housed in Youth Authority facilities pursuant to Section 1731.5(c) of the Welfare and Institutions Code. Under this section, which became effective January 1984, youth committed to the Department of Corrections can be ordered by the sentencing courts to be placed in Youth Authority facilities to serve at least part of their sentences.

The characteristics compared include sex, committing court, county of commitment, admission status, ethnicity, average age, and the following categories of primary commitment offense:

<u>Violent Offenses:</u>	Homicide, robbery, all types of assaults, forcible rape, and kidnapping.
<u>Property Offenses:</u>	Burglary, theft (including auto), forgery and check offenses, and arson.
<u>Narcotic and Drug Offenses:</u>	All offenses related to narcotics and dangerous drugs.
<u>Other Offenses:</u>	All offenses not specified above.

Tables are provided for the total population in the camps and for each of the ten regular institutions. Reception Center-Clinics are not identified separately, but are included in the overall totals, Tables 1 through 3.

## SUMMARY

### **POPULATION**

The institution population of 5,954 in 2002 reflects a *decrease* of 14 percent from the 2001 population of 6,942. This continues the downward trend beginning in 1997. Since the high of 10,122 in 1996, the institution population has decreased 41 percent.

The parole population of 4,237 in 2002 is 4 percent lower than in 2001, and 34 percent lower than its high in 1997.

### **SEX**

Over the ten-year period, female offenders have been 3 to 5 percent of the institution population. Females have been 4 to 6 percent of the parole population during the same time period.

### **COURT OF COMMITMENT**

Since 1993, the percentage of juvenile court commitments in the Youth Authority population has *increased* considerably -- from 78 percent in 1993 to 97 percent in 2002.

Similarly, the percentage of juvenile court commitments on parole has steadily *increased* from 77 percent in 1993 to 95 percent in 2002.

### **COUNTY OF COMMITMENT**

The largest proportion of the Youth Authority's institution population has consistently been from Southern California (especially Los Angeles County), although the proportion has decreased from 61 percent in 1993 to 54 percent in 2002.

The difference between the major sections of the State has been less marked for the parole population. In 2002, the comparison is 53 percent for Southern California, and 47 percent for Northern California.

### **PRIMARY COMMITMENT OFFENSE**

The proportion of offenders institutionalized **primarily** for homicide, robbery, and other violent offenses steadily decreased from a high of 65 percent in 1994 and 1995 to 59 percent by 2002. The proportion of offenders on parole for violent offenses has steadily *increased* from 50 percent in 1993 to 70 percent in 2002.

Those offenders institutionalized **primarily** for property offenses (burglary, theft, and arson) was 25 percent in 2002, an increase from 23 percent in 1993. The proportion of property offenders on parole has *decreased* from 32 to 21 percent.

The proportion of the institution population committed **primarily** for narcotic and drug offenses *decreased* from 8 percent in 1993 to 4 percent in 2002. Those on parole who had been committed **primarily** for narcotic and drug offenses *decreased* from 12 percent in 1993 to 3 percent in 2002.

## **ADMISSION STATUS**

The proportion of first commitments in the institution population has been as high as 86 percent (in 1993), but is currently 84 percent.

The proportion of first-time parolees in the parole population was 79 percent in 1993, and is currently 76 percent.

## **ETHNIC GROUP**

The percentage of Whites in the institutions in 2002 is back up to 16 percent after dipping as low as 14 percent in the middle of the decade. The percentage of African Americans in the institutions dropped, from 33 percent in 1993 to a low of 28 percent in 1999. In 2002, the percentage was 29 percent. There has been more of an upward trend in the proportion of Hispanics, from 44 percent in 1993 to a high of 48 percent in 2002. The percentage of Asians has flucuated between 4 and 6 percent in the past ten years.

The proportion of Whites in the parole population dropped from 20 percent in 1993 to 14 percent in 2002, and African Americans from 34 percent in 1993 to 25 percent in 2002. The proportion of Hispanics *increased* from 38 percent in 1993 to 51 percent in 2002. The Asian parole population *increased* from 5 percent in 1993 to almost 8 percent in 2002.

## **AVERAGE AGE**

Over the past ten years, 19 years has consistently been the average age of the institution population. The average age of the parole population has been approximately 21 years during the same time period. Although, both have been incrementally increasing.
